### OPENING CEREMONIES WERE A BLAST!

Opening ceremonies are always a favorite part of the games for athletes, coaches and staff. Many new friends are made, many pins are traded, and the Indigenous culture is celebrated. The spirit of our New Brunswick athletes is strong and our voices and cheers were heard today. We may not be the biggest team here, but we are definitely one of the mightiest!

Please see our Facebook or Twitter pages for more pics and please share!

### COMPETITION SCHEDULE

You can find a detailed competition schedule at the link below. Here you can search by date, sport, and by province.
